For the New York-based DJ and producer **Kasia Sobczyk**, music is a unifying language designed to cross social and cultural boundaries. Her deep energetic sound is an invitation to life's transcendent journey, a heightened state that has transformed dancefloors worldwide.

kasia

Musically driven since an early age, Kasia delivers a timeless experience filled with nostalgia and invigorating self-love that intensifies the real purpose of music to **bring us together.**

The promising DJ has already played illustrious sets at established dance music aficionado hotspots in Tulum, Los Angeles, NYC, Miami, Ibiza, Mykonos, Poland, Rio De Janeiro, Instabul, and Sardinia. In addition to residencies at a prestigious venue in Malibu/Los Angeles and at the Tulum Mia Beach Club.

Kasia not only holds a holistic space to **sermonizing music's healing powers** to an international audience by herself but has also intensified the experience alongside some of electronic music's greatest names, including Solomun, Bedouin, Jan Blomqvist, Julia Niko, Colyn, Audiofly, Black Caffé, and many others.

From a creative twist to ethnic influences acquired over time, her DJ set combine Melodic Techno & Indie Dance styles with an impressive drumming skill. An exhilarating track selection that has recently resulted in over **half a million views** on her live mix on YouTube in less than 3 weeks.

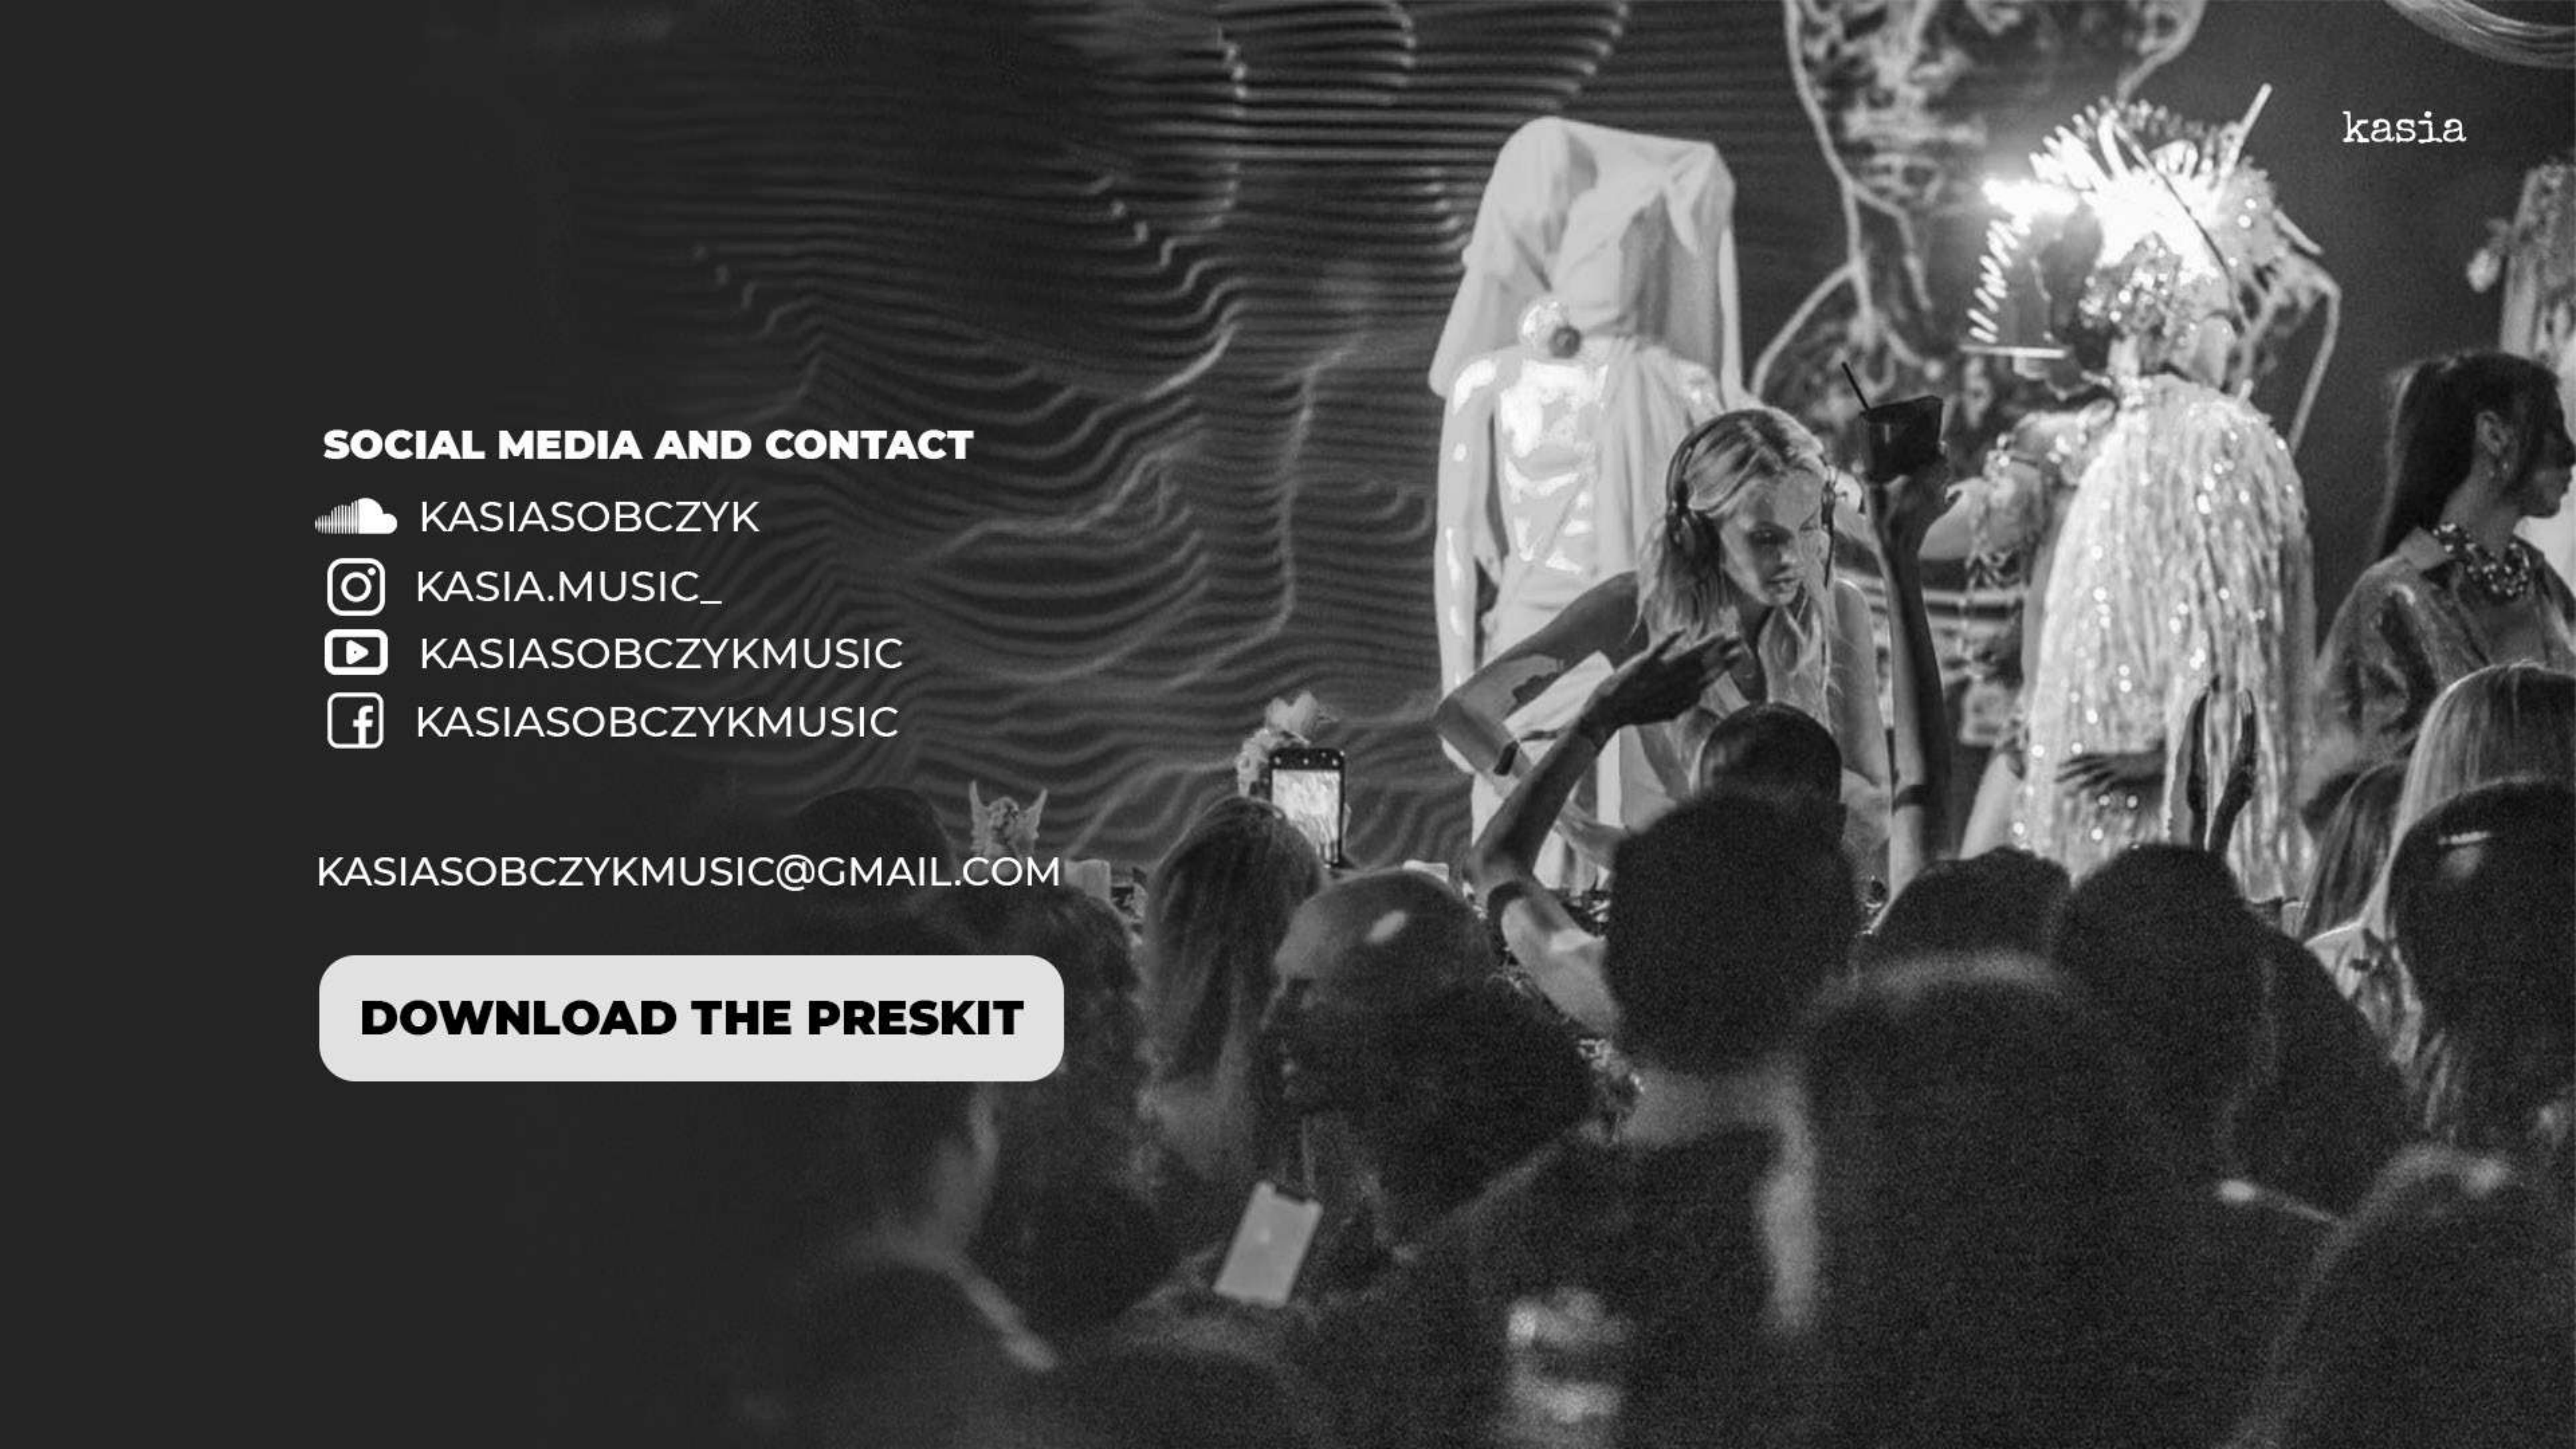

kasia

Now in 2022, Kasia is ready to release **her self-produced debut album** to the world as an artist, becoming an emerging DJ rising to stardom.
